

11.20.2025 - We've hit stability! Our circulation system and catalog are finally settled. And it looks like we have finally addressed most of the issues affecting patrons since the migration as well. Please - let us know right away if you are still having difficulty logging in to Libby, Hoopla, or Kanopy.

We are (almost) always available to help patrons one-on-one with questions about the new system and how you can use your library account most efficiently - placing holds, accessing e-content, and more.

We hope you all have a wonderful holiday - a reminder that we are closing at 2 pm on Wednesday the 26th and will be closed all day Thursday the 27th for Thanksgiving.

Be careful traveling if you have to be on the road, and we'll see you when you get home!
