## What does the Weeks Public Library offer?

Our newly expanded and renovated library is a special place with welcoming, dedicated staff. The building has ample room for patrons to congregate and provides free Wi-Fi, as well as space that may be reserved for quiet study or meetings. The library offers many wonderful books in a variety of formats, including large print, audiobooks, and digital audiobooks. Library patrons may borrow magazines, movies, TV series, or a puzzle.

The library also offers a variety of programming for all ages and is frequently used as a venue for community social groups. Some of the programs the library offers include: story hours, cultural presentations, an annual summer reading program, book discussion groups, movie nights, bridge, Mah Jongg and much more! New programs are constantly being added, please check the library website or Facebook for the most up-to-date schedule.

**We can only achieve our goals with your support.**

## Who Are the Friends?

The Friends of the Weeks Public Library is a non-profit 501(c)(3) organization comprised of volunteers dedicated to enhancing and promoting our beautiful new library.

The Friends of the Weeks Public Library provides:

- \* Museum Passes
- \* Annual Summer Reading Programs
- \* Youth programs and holiday events
- \* Public support and good public relations for the library
- \* Adult programs that contribute to Greenland's educational and cultural life
- \* Fundraising Events

We are independent from the library's Board of Trustees and focus our energies on providing financial support for items not covered in the town budget for the library. Since our new library is now four times larger than before, those needs are now greater than ever. Please help us ensure that the Weeks Public Library delivers the services, resources and programming that we have come to enjoy.
